“Education Through Athletics is something I would have never understood if I had not played football here at Princeton University. I have learned so much about myself: my work ethic, my character, my leadership abilities and my ability to take criticism, in my four years in this program... I have truly learned who I am.”

- Tommy Wornham '12, Football
PVC Fall Coaches Luncheon Speaker

“I feel so challenged every single day. That gut check that you get every time you step to the line is not something that you find anywhere else... I’m going to graduate from Princeton University, and I’m going to come out of this program so much stronger for having put myself through that adversity day in and day out in these world-class facilities. I can’t express what Princeton has meant to me, and what rowing here has been for me.”

- Kelly Pierce '12, Women’s Open Crew
PVC Spring Coaches Luncheon Speaker
